President's Message

Greetings!

I attended the Christmas party and if you didn't make it you missed out on a lot of fun and conversation, not to mention lots of good food of which I ate way too much of!! With all the Holidays behind us, we can now get back to our regularly scheduled club/ radio activities. The new(old) officers were officially installed this month as we had a very brief meeting for the first one of the year.

One of the other new things is my call sign. If you will take note, my previous call sign KF7VIY was changed to WA7RIG. The change was almost as bad as moving as far as trying to remember all the places you need to go to and get it changed.

Besides looking forward to a great Field Day on June 25 and 25th, we also look forward to the Ultra Marathon on the North Umpqua trail.

Thank you Jim, KF7FIB, for arranging a great place to hold the Annual Field Day, for free no less!! Thanks all who volunteered to participate in supporting the North Umpqua marathon.

In closing I'd just like to say, thank you for allowing me the pleasure to serve as President this year. I think it will be a very busy and eventful year this year and remember we can't do it with out you!

73's
